Territorial cohesion

Spatial justice

Bottom-up perspective

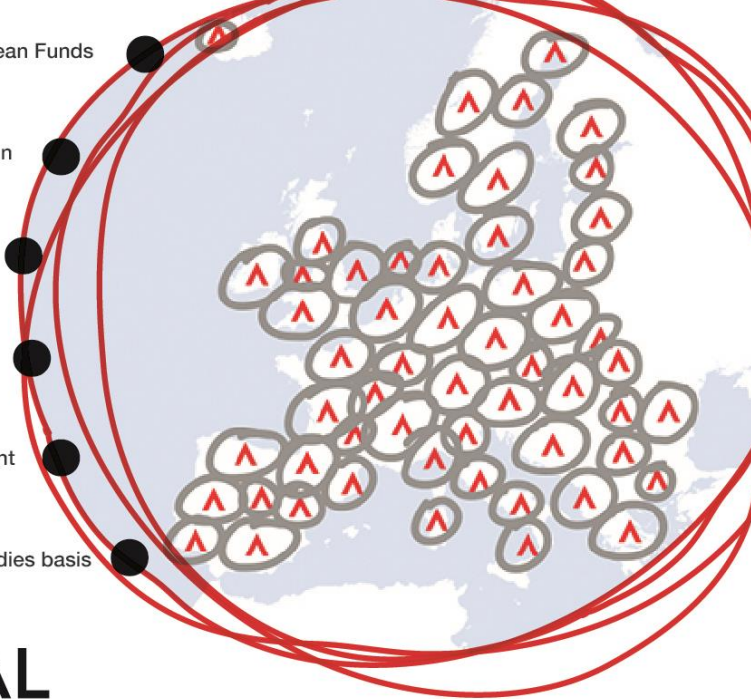

Place-based development

Case studies basis

RELOCAL

Resituating the Local in Cohesion and Territorial Development

RELOCAL investigates the role of **localities** and how places and communities can strengthen their involvement in the design, delivery and deployment of **European cohesion policies** in order to achieve higher levels of **spatial justice and cohesion**.

RELOCAL applies a **bottom-up approach** from the local to the European level. It is based on the analysis of 30 contextually sensitive **case studies** and continuous multi-level stakeholder engagement.

Project Consortium

RELOCAL is funded by the European Union's Horizon 2020 Programme
13 partners in 11 Member States
October 2016 – September 2020 (48 months)
Project coordinator: University of Eastern Finland
Contact: Dr. Petri Kahila (petri.kahila@uef.fi)

RELOCAL receives funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement N° 727097
